200ml Flavours:

Bsissa

Cereals

Bsisa is a variety of mixtures of roasted cereals ground with fenugreek, aniseed and cumin.

It is typically mixed with olive oil into a paste. Various spices, almonds, halva and dates, are added to prepare tasty porridge type of breakfast.

When mixed with milk or water it creates a traditional drink to serve with dates and dried fruit.

This kind of food is known throughout North Africa.

Wheat

Barley

Extra Virgin Olive Oil
